To: Parents of Mission Bend Christian Academy

We are pleased to announce our community partnership with your child/children's school, Mission Bend Academy, as your school lunch provider for the upcoming school year!

Bliss Flavors Catering is a full service off-premise catering service with 10 years of experience catering all types of events from wedding receptions, corporate events, and private parties to public school banquets. In 2007 we expanded our services to provide affordable, nutritionally balanced lunches to the private school community in the Fort Bend and surrounding areas. Bliss Flavors Catering has not only learned how to satisfy the palates of young picky eaters but we have also learned to grow one step at a time with school campuses building trust along the way. Our mission is to provide a balanced meal that includes variety and flavor.

We recognize busy parents want their children to benefit from a well balanced quality lunch program. Our fresh ingredients, quality and generous portion sizes makes a Bliss Flavors' lunch an incomparable value. Our cooking techniques for the school lunch program completely eliminate fried food. Instead for example, our chicken nuggets are hand battered and oven baked. Even our French fries are hand cut and oven baked. We use whole wheat for some of our pasta recipes and fresh fruit on most days is a must! A healthy, flavorful selection is always our goal and it has been observed from our current client's teachers that Bliss Flavors' lunches are truly finished up!

Since we recognize convenience is very important to busy parents, you can now order your child or children's lunches on-line using your credit card or debit bank card. More information will be following on the "Order Lunch" on line program.

Our staff at Bliss Flavors is very excited and looking forward to taking care of your child/children's nutritional needs.

Sincerely,

Sheila Jackson

FORGOTTEN/EMERGENCY LUNCHES

Bliss Flavors Catering is prepared and has a small number of extra lunches to be used in the event your child does not have a lunch. However, even though we do prepare extras we sometimes run out. That is why it is so important to pre-order your lunch. This ensures your child receives a meal they will enjoy and are refueled for the long day ahead.

Students that forget lunches will be provided a school lunch if there are any extra meals available. The meal charge will be added directly to your shopping cart. On your next checkout this charge will be added to your order total.
